November 15, 2020

CONSIDER THE TEXT

- Read Matthew 22:1-4.

DISCUSS THE SERMON

1. What was the main point of the message?
2. Why would Jesus liken the Kingdom to a wedding feast?
3. Why is it that religious people tend to reject the message of Jesus?
4. Why is the call to “repent” such a vital part of the Gospel message?
5. There are a few ways people can reject the invitation of the Gospel. How would you describe these in light of this parable?

APPLY THE TRUTH

1. Man-made religion dismisses God’s call to repent but makes attempts to appease the human conscience through good works. How do Christians tend fall back into that way of thinking? In what way does understanding the Gospel help us with this flawed way of living?
2. Describe how the reality of God’s patience can encourage you to be more evangelistic? In what way does God’s justice motivate you to be more evangelistic?
3. What assurance can a person have that they have been “chosen”?
4. What other aspect(s) of the message was particularly helpful or challenging to you?
